Information Sought on Recent Vandalism

For June 23, 2010

CRIME STOPPERS is asking for help identifying the suspects in a recent vandalism to a local park sign.

The vandalism was discovered on June 19th at Lake Springfield near the boat ramp. A volunteer discovered the support posts were snapped and splintered, consistent with being hit by a vehicle. The sign itself was floating in the lake.

There is currently no suspect information. The time frame has been narrowed to between 5pm on June 18th and the following morning at 6:30 am.

As usual, if a tip leads to the filing of felony charges, the tipster could be eligible for a Crime Stoppers reward. The Volunteers For Outdoor Missouri (www.vfom.org), a local non-profit organization, has offered up an additional \$100 reward for tips leading to the filing of any related charges, including misdemeanor.

If you were in the area of this incident and saw any suspicious people or vehicles at these times, or if you know the suspects, please call Crime Stoppers. Do NOT try to apprehend the suspects, as they may be violent. Call CRIME STOPPERS at **869-TIPS (8477)** or go on-line at **www.tipsubmit.com**. Tipsters do not have to give their name and could earn a reward.

Crime Stoppers takes information about drug dealers, wanted felons, and all other felony crimes. We pay rewards of up to \$1000.00 in cash for the information that leads to the arrest and the filing of charges against people involved in felony crimes.
